Code	Description
AP012950	LabelManager® 160P

LabelManager® 210D

All-purpose labelling made easy with large graphical display.

Prints 6/9/12 mm widths

- Large graphical display shows text effects on screen before you print

- Enjoy an intuitive labelling experience with easy navigation from start to print

| Code	Description
SD84480	LabelManager® 210D

Recommended label options

DYMO®

D1 Labels

### For use in LabelManager® Series

Labels for hundreds of tasks around the office or home office, such as filing and storage.

All DYMO® D1 labels are temperature, UV and water resistant with an easy-peel split back for effortless application.

Label Widths*

Print labels in the following widths

6 mm   9 mm   12 mm   19 mm

* Not all label makers print every size shown

D1 Label Colours*

For full D1 label overview, see page 26

* Colour options vary by label width

Paper pre-cut filing labels also available

For LW Labels used in LabelWriter® printers, see page 29

LabelManager® 280P

Smart, versatile – with all the right connections.

Prints 6/9/12 mm widths

- Customise labels with any fonts and graphics on your computer through PC or Mac® connection
- Avoid the cost and waste of disposable batteries with a rechargeable battery pack

Code	Description
S0968980	LabelManager® 280P

LabelManager® PnP

Just plug, type and print – it's that easy!

Prints 6/9/12 mm widths

- No software to install – built-in software is ready to use with no installation
- Customise your label with any fonts or graphics on your computer through PC or Mac® connection

Code	Description
SD915400	LabelManager® PnP

LabelManager® 360D

More power, more features, no more AA batteries.

Prints 6/9/12/19 mm widths

- Powered by a rechargeable battery pack so you can charge and go – unlike an AC adapter
- Large 40 × 70 mm screen displays two lines of text

Code	Description
SD879530	LabelManager® 360D

LabelWriter® 450 Turbo
The high-speed, hassle-free labelling and mailing solution.

Includes all features of the 450 plus:

- Prints up to 71 labels per minute (4-line address label), 40% faster than our base model

Code	Description
SD0840370	LabelWriter® 450 Turbo

Recommended label options

LW Labels

For use in LabelWriter® series printers

LW labels use a direct thermal printing process – so you never need to bother with messy, expensive ink or toner cartridges.

And because they're packaged in rolls, you can print one label or hundreds with ease – no sheet label hassle or waste.

Standard Address Labels

Available size options

SD99010 (130 labels/roll, 2 rolls/box) 28 x 89 mm (white)
SD99012 (260 labels/roll, 2 rolls/box) 36 x 89 mm (white)
SD99013 (260 labels/roll, 1 roll/box) 36 x 89 mm (transparent)
SD11352 (500 labels/roll, 1 roll/box) 25 x 54 mm (white return address label)

LabelWriter® 450 Twin Turbo
Maximise your labelling and mailing efficiency.

Includes all features of the 450 plus:

- Enhance your efficiency and have two rolls of labels ready to print at all times – perfect for printing address and shipping or filing labels without swapping label rolls

- Prints fast – up to 71 labels per minute (4-line address label), 40% faster than our base model

Code	Description
SD0840380	LabelWriter® 450 Twin Turbo

LabelWriter® 450 Duo
Print the widest variety of DYMO® labels with one versatile printer.

Includes all features of the 450 plus:

- Add versatility to your label printing – print labels for mailing and shipping (LW) as well as permanent labels for identification (D1) in a variety of sizes and colors

- Prints fast – up to 71 labels per minute (4-line address label), 40% faster than our base model

Code	Description
SD0840390	LabelWriter® 450 Duo

Label faster. Mail smarter.

Print one label or hundreds at a time.

No need to dispose of partially used sheet labels, and no more printer jams or formatting hassles.

300 dpi print resolution for precise barcodes and clear, legible text and graphics.

Shipping | done.

Save time and money.

**Recommended product
for shipping:**

Integrates easily into 3rd-party applications
LabelWriter® 4XL

LabelWriter® 4XL Wide-Format
Heavy duty high-speed label printing.

- Print labels up to 10 cm wide – including bulk mailing labels and other large-format labels like 104 x 159 mm all-in-one shipping labels, warehouse labels, barcode and identification labels

- Print up to 129 labels per minute (or 81 mm per second, 4-line address on high capacity labels)

- Integrates easily into third-party software applications using the DYMO® Software Developers Kit (SDK) available as a free download from **dymo.com.au** or **dymo.co.nz**

Code	Description

Software

DYMO® Label™ v.8 Software
For PC or Mac®

- Included with every LabelWriter® and PC or Mac® compatible LabelManager® label maker

- Choose from over 100 pre-designed label layouts, then customise with your company logo or graphics

- Built-in address book: Print labels straight from your contact list or from your Outlook® contacts or Mac® Address Book

- Multi application: Create labels directly from Microsoft® Word, Outlook®, Excel® and CardScan® without retyping your text

- QuickPrint widget: Print a single label quickly and easily

Labelling Solutions
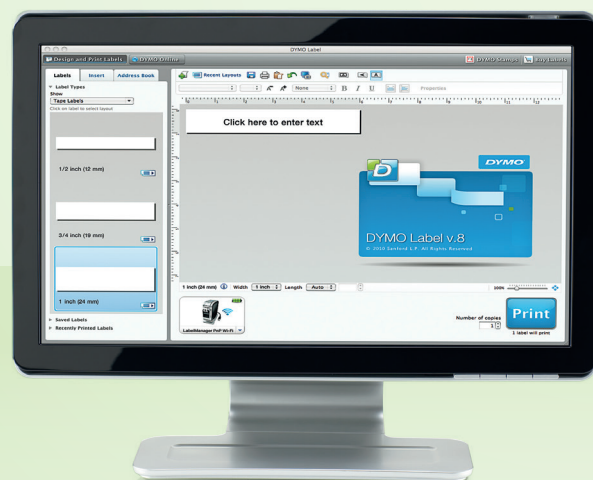

Integration

DYMO® Software Development Kits (SDK)

Make labelling part of your seamless work process.

Easily and quickly integrate DYMO® label printing or card scanning into any Windows®, Mac®, Linux® or custom embedded system.

For more than 14 years, software developers and product development engineers have used DYMO® SDKs to incorporate DYMO® label printing or CardScan business card scanning capabilities into their in-house systems or customer solutions. Whether you're developing for the Windows, Mac® or Linux operating system, or for a custom embedded system, we've got the SDK you need to make our technology part of your work flow.

Get regular updates from our technical team on the DYMO® Developers blog: **http://developers.dymo.com**

Around the globe, DYMO® products play a key role in solutions for:

- Practice and patient management

- Point of care printing and labelling applications

- Laboratory and instrument labelling

- Simple visitor-operated badge printing solutions

- Factories, retail and industry

- Shipping (using leading carriers)

Visitor Management

LabelWriter® Visitor Management
Software and Hardware bundle

- Includes 12-month subscription to hosted "WhosOnLocation" system, LabelWriter® 450 and 4 x rolls of Adhesive Name Badges

- Easy to set-up and use — quickly sign-in visitors and print name badges

- Eliminate the manual paper-based process and gain real-time visibility of who is on your premises

- Build and report from a centralised and accurate record of all visitors and contractors
